

Feel good and stay safe

Safety measures

Due to the new capacity restrictions in the 7132 Thermal Baths, only a limited number of admissions are possible at this time. We apologize for any inconvenience.

For the duration of your stay with us, we must ask you to comply with the rules for safe conduct issued by the Federal Office of Public Health:

Keep a 2-metre distance from other guests – be sure to adhere to the social distance rule, as we do.

Please complete the health questionnaire.

In order to ensure the safety of all our guests, it is not allowed to use personal towels. You can rent a bath towel for CHF 5 and a set of bathrobe and towel for CHF 25.

We encourage all guests to use card payment whenever possible.

For protective equipment, please ask our SPA staff.

Hand sanitizer is available in all public areas.
Please serve yourself.
