

Feel good and stay safe

Measures for your safety in our 7132 Thermal bath

*Due to the new capacity restrictions in the thermal spa, a reduced Number of admissions available.
During your stay we kindly ask you to comply with the rules of conduct of the
Federal Office of Public Health:*

Keep a 1.5-metre distance from other guests – be sure to adhere to the social distance rule, as we do.

Before every visit to the SPA and thermal baths, for your own safety a fever measurement is performed.

Please complete the health questionnaire.

We kindly ask you to only visit our Thermal Bath and SPA only when you are completely healthy.

Our SPA staff and therapists wear protective masks.
Please wear your protective mask up to the cloakroom.

During the treatment the protective mask also has to be worn.

In each area the maximum number of guests is written down. Please do not enter, if this is achieved. We thank you for your personal responsibility.

Please keep a distance in the water basins, shower and changing rooms of 1.5 meters.

Protective material is available from our SPA staff.

Hand disinfectant is available for you in all public areas. Please serve yourself.
