

Feel good and stay safe

Measures for your safety in our 7132 Thermal bath

For the sake of protecting all of our guests and our staff, we must ask you to comply with the rules for safe conduct and the hygiene regulations issued by the Federal Office of Public Health during your stay with us, and to present upon arrival a COVID-19 certificate valid for the entire duration of your stay in Switzerland.

Before every visit to the SPA and thermal baths, for your own safety a fever measurement is performed.

We kindly ask you to only visit our Thermal Bath and SPA only when you are completely healthy.

Our SPA staff and therapists wear protective masks.

Protective material is available from our SPA staff.

Hand disinfectant is available for you in all public areas.
Please serve yourself.

In case you feel unwell, please contact the SPA reception.
